**a) General rules with French adjectives:**

1. If the adjective is describing a feminine word, add an "e" to the end unless it already has one!
2. If the adjective is describing more than one masculine object, add an "s" at the end unless it already has one!
3. If the adjective is describing more than one feminine object, add "es" at the end. If it already has an "e", then just add the "s"!
4. Warning! There are always exceptions to the rules!
