

Drugs Awareness / Teen Dangers Brochure Project

Suggested Sections (if applicable):

a) Description (where applicable)

- What is it?
- In what form(s) is it sold?
- How would someone recognize it?
- What are its "street names"?

b) "Claims" and Myths

- What would a drug dealer or drug user tell someone to convince them that it will "help"?
- What myths are there about it?

c) Negative Consequences (MAIN PART OF THE POSTER)

i. What does it do to the mind and body?

- damage to the brain and/or body
- addiction
- withdrawal

ii. What does it do to the user's/victim's life?

- job or school
- relationships (family and friends)
- priorities
- lifestyle

d) Help and Treatments (optional)

- How can you help them?
- What treatments are available?
- How can you help yourself to avoid this problem?

NOTE:

- All writing is to be done by hand.
- All pictures (1-2) are to be drawn and coloured by hand.
- You will also hand in a reflection/credits mini write-up.

Presentation

- Come up with a 30 second "public service announcement" commercial to warn others about your topic.
