

Changing Units

When going down the steps:

- 1 step down = $\times 10$
- 2 steps down = $\times 100$
- 3 steps down = $\times 1000$

When going up the steps:

- 1 step up = $\div 10$
- 2 steps up = $\div 100$
- 3 steps up = $\div 1000$
